

How to discover and listen to the Talking Rocks ?

22 Talking Rocks are disseminated in the Hautes Terres de Provence®. In order to go to the 22 sites and listen to each rock's tale, please use the map inside this flyer.

Each number on the map corresponds to a description of how to find them.

Once on site, to listen to the tale in english, (which lasts 3 to 7 mins.) please press the button just near the logo ⊕ or a long time. To relisten to the tale press the button again, as many times as you like. To have the English version press the button for longer.

The Talking Rocks are open from March the 1st to December the 15th.

You can also discover more of the Talking Rocks, using the 6 routes of the Path of Tales®, a treasure hunt featuring Hautes Terres de Provence® medieval history.

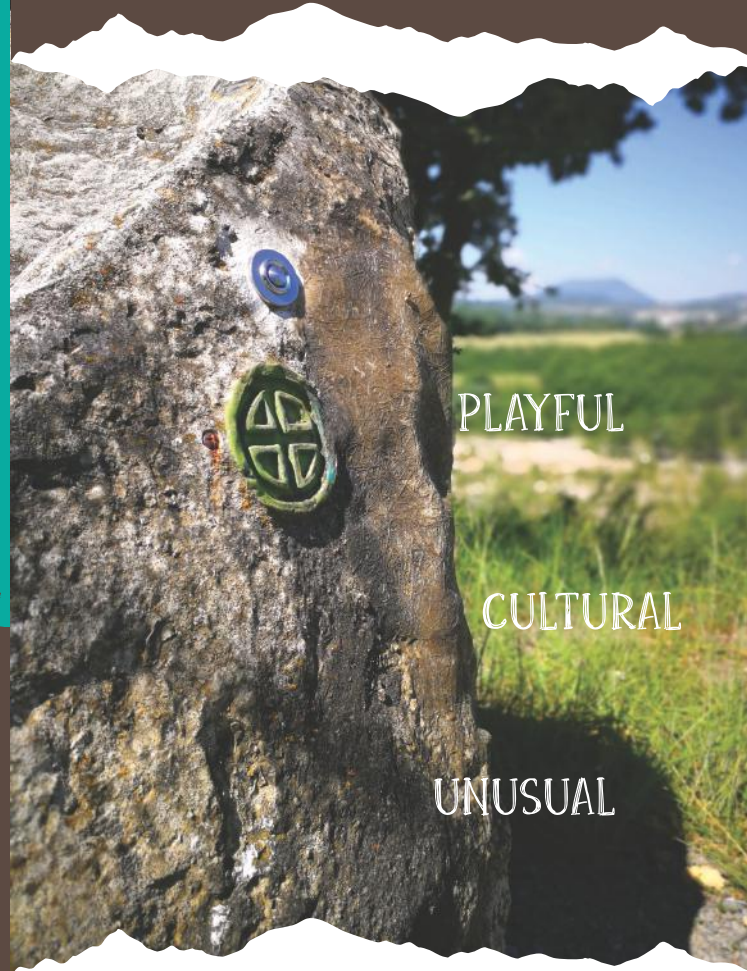

To discover these routes, buy the corresponding booklet (10 €) in one of the following tourist offices : Sisteron, Laragne or le Caire.

More informations on : www.balades-insolites.com

Organized by the Alpes de Haute Provence Departmental Media Library, the Rencontres de la Parole have hosted storytellers from around the world for many years.

On the Route des Rochers-qui-Parlent, these artists have given us some pearls of their creation. Go looking for them and take the time to listen to them ...

In the Alpes de Haute-Provence department there is a wide natural space to discover with family or friends, just listening to rocks talking. That seems impossible but it's true !

If you have half a day or more free, take the time to escape in our beautiful hidden garden where you'll discover the Talking Rocks Trail.
